4. [redacted] talked with Representative George H. Mahon indicating that it to be expected that the usual budget letter from the Bureau of the Budget to the Chairman of the Appropriations Committee would be forthcoming in the near future. I then raised the question of whether or not the composition of our Subcommittee had been received. Mr. Mahon stated he had pushed the Chairman on this on three or four occasions but it had not yet been decided. However, Mr. Mahon stated he would look into this immediately with the Chairman to see if this matter could not be settled.
